Cool Season

The intense color and extremely fragrant blooms of Enchantment Linaria are the primary features of this container idea. Although you can use almost any cool-season plant in this combination, the violet-colored flowers of the Dianthus and the Pansy's bright yellow petals are a great contrast to the Linaria's magenta blooms and gold "bee."

12 to 16 in. (30 to 40 cm)

1 Ideal Select Violet Dianthus
