Simply Beautiful®

Long-lasting color. Simple to choose. Simple to use.

10 to 12 in. (25 to 30 cm)

32 Warm Season

Fiesta Double Impatiens are excellent performers in hanging baskets. Their vigorous habit allows the plants to grow up and out over the sides of the basket, making a striking display under soffits or balconies. Keep the soil moist and feed every 10 to 14 days since the nutrients tend to filter through the container after every watering.
