Simply Beautiful®

Long-lasting color. Simple to choose. Simple to use.

40 Warm Season

Although this is a warm-season container, these plants will also withstand the cooler temperatures of early Spring and Autumn. Place in a spot where it will receive some morning sun and afternoon shade. If you have trouble finding Heuchera, feel free to use another foliage plant that features striking leaf patterns.

8 to 10 in. (20 to 25 cm)
