8 to 12 in. (20 to 30 cm)

1 Aurora Raspberry Coleus

more...

2 Fantasia™ Violet Improved Zonal Geranium

more...

41 Warm Season

Adding height to a combination is always a great way to make sure your container gets noticed. This planter features Rudbeckia (commonly known as Black-Eyed Susan), but you can use other plants - like Gerbera - to add an extra level of color. The Coleus will maintain its tidy habit, but be sure to remove old blooms from the Geranium to encourage flowering.
