

Simply Beautiful®

Long-lasting color. Simple to choose. Simple to use.

#54

Warm Season

Lantana flourishes even in Texas parking lot plantings! Imagine how these heat and drought-lovers will satisfy gardeners with their foolproof behavior. Planted to the side is Geraniums, which can take the heat, too, and look dazzling in the container. From the back thrills taller Juncus.

12 in. (30 cm)

1 Grass Juncus inflexus
Blue Arrows
